Indoor/Outdoor Kitchen and BBQ Dual Timer with Vibration Alert

This stylish timer features silent vibration and/or audible alerts for dual countdown timers. Vibration functions make it handy around the home and office in addition to kitchen use. Dedicated plus (+) and minus (-) keys for hours, minutes and seconds make adjustments simple. Carries easily on the belt or apron, stands on the counter, or stores on the fridge using the integrated magnet.

About American Innovative™

American Innovative was founded to pursue the development of innovative new products that should exist, but don't. "Products that make sense" is our motto and the execution of this philosophy can be seen throughout the company's product line. Careful attention to the needs of the user and a keen eye for industrial design and user interface engineering are the secrets of American Innovative's success.
