

Introducing the

**Tick
Talk!**

Voice Recording Alarm Clock

You record my alarm!

The Alarm Clock That Has Kids *Talking* ...

Tick Talk! wakes kids up to custom alarm sounds that they record themselves!

Whether recording wake-up messages, music snippets or wacky sound effects - kids find the results hilarious and parents recognize the value of a practical way to get their family out of bed and out the door!

Fun & Practical ...

- **Wake Up:** Wake to a custom message, sound effect, or song recorded with the built-in microphone.
- **Remind:** Leave reminders which announce at an appointed time or are recalled at the touch of a "toe".
- **Create:** Record the most annoying alarm, funniest joke, or craziest sound effect and play back anytime.

Animated Expressions Add Personality!

Animated facial expressions bring Tick Talk! to life when recordings are played back.

**Tick
Talk!**

Voice Recording Alarm Clock

"Wake up sleepy head!"
Wake Up Alarm

"Don't forget to walk
the dog ..."
Reminder

"Ryan called
at 4:30."
Message

"PHBLLLT!"
Wacky Sounds

🎵 Here comes the sun ...
Song Snippet 🎵

"What do you call a
scared dino?"
Jokes

About American Innovative™

American Innovative was founded to pursue the development of innovative new products that should exist, but don't.

"Products that make sense" is our motto and the execution of this philosophy can be seen throughout the company's product line. Careful attention to the needs of the user and a keen eye for industrial design and user interface engineering are the secrets of American Innovative's success.
